EVENTS & SCHEDULE
20 -23 SEPTEMBER

2021 Virtual Medical Student Orientation

Welcome Class of 2027, Department of Medicine

This year, the School of Medicine's orientation program, which is designed for incoming first-year and transfer students, will be delivered virtually due to the continued need for social distancing in the aftermath of the COVID-19 pandemic. While we always look forward to meeting our new Medical Students on our beautiful EUC Campus, in our effort to ensure your safety during this uncertain period, we have created this virtual orientation that introduces you, our students and their families, to the EUC Medical School experience.

Student Orientation is an essential part of a successful transition to Medical School. Crossing the threshold of the Medical School, you are taking your initial steps into the profession. Student Orientation is foundational to your success as a Medical student at EUC and will provide you with information vital to your matriculation. The program will set the tone for your academic career and highlight expectations of you as a student, as well as give you the opportunity to connect with your fellow classmates. Medical Student Orientation culminates with the "White Coat Ceremony", where you will receive your first white coat and take your first step towards the responsibility of becoming a physician by reciting an oath dedicating yourself and pledging integrity in the study and practice of medicine.

The School of Medicine Student Orientation and White Coat Ceremony celebrates an important milestone, and marks the beginning of your journey in your chosen profession and Lifelong Learning. The date of the White Coat Ceremony will be announced in the near future, with relevant details.

Please review the virtual orientation program that we have designed to prepare you for an exciting start in your medical studies. You will learn about our educational program, you will meet with your academic advisors, you will be prepared for online learning and assessment, among many other things, so that you are fully prepared for the fall semester.

A heartfelt welcome to all of you!!

Professor Elizabeth O. Johnson, Dean, School of Medicine

2021 Virtual Medical Student Orientation

EVENTS & SCHEDULE

MONDAY, SEPTEMBER 20, 2021

14:00 TAKING CARE OF THE BASICS

Welcome Addresses

Closing Remarks
Professor Elizabeth Johnson, Dean

Virtual White Coat Ceremony

DATE TO BE ANNOUNCED

Commencement: The White Coat Ceremony

The White Coat Ceremony is a rite of passage for each entering class. This annual tradition of the EUC Medical School marks the entrance of the matriculating class of students into the Medical profession. It marks an important milestone in your career, and is shared with family, friends and colleagues. Students receive their White Coat and recite an oath, pledging dedication to the ethics and standards of learning Medicine. Students are cloaked in their first white coat as a symbol of the trust being bestowed upon them to carry on the noble tradition of doctoring.
