

Off -Campus Accommodation Units

The Housing Office, in an effort to offer the highest level of service to its students has created a list of available private housing units and apartment in the area around the University.

Keep in mind that the Housing Office does not provide any guarantee of the condition or quality of the available apartments outside its housing facilities. All procedures are completed between the student interested and the owner of the apartment.

If you are abroad, you should come to Cyprus at least 3-4 days earlier so that you can find accommodation and visit the apartment. For a short stay accommodation, you can book a nearby hotel to make it easier for you to move around the University area.

Below you can find the list of off-campus units based on their distance from the University.
