Cybersecurity (18 Months/90 ECTS, Master of Science)- E-Learning

ADMISSION CRITERIA:
1. Applicants must be holders of a Bachelor's degree or equivalent from a recognised higher education institution in Computer Science, Computer Engineering, Information Systems, Electronic Engineering or a related field. Applicants with backgrounds related to Computer Science and Electronic Engineering, such as mathematics, branches of engineering, and related disciplines can be considered eligible upon completion of a series of foundation courses on Cybersecurity. For the applicants whose academic background is such that they cannot proceed directly to the M.Sc. in Cybersecurity programme, the Programme Academic Committee examines the applicant's transcript on an individual basis, and assigns foundation courses. Foundation courses need to be completed prior to admission to the M.Sc. in Cybersecurity programme.
2. Proof of English language proficiency: Applicants need to prove their proficiency in the English language at the B2 level of the Common European Framework of Reference for Languages (CEFR). Any of the following certifications are accepted:
   - A Bachelor's or a Master's degree or its equivalents from a recognised higher education institution where the language of instruction was English.
   - International English language examinations, including:
     – University of Cambridge Exams: with B2 First (FCE) Grade B or above
     – IELTS: with a score equal to band 6.5 or above
     – TOEFL (IBT): with a minimum score 94
     – IB English B Standard Level (SL): with Grade 7 or above
     – IB English B High Level (HL): with Grade 6 or above
     – IB English A: Literature SL & HL: with Grade 6 or above
     – Cambridge IGCSE or GCSE English as a Second language: with Grade B or above
     – Cambridge IGCSE or GCSE English as a First language: with Grade C or above
     – Cambridge GCE English A Levels: with Grade C or above
     – Cambridge GCE AS Level English Language: with Grade C or above
     – Anglia Examinations: with a score equal to band Advanced
     – Password Skills Plus Test: with minimum grade 6.5
     – Michigan Language Assessment: with ECCE (63)
     – SAT Evidence- Based Reading and Writing (EBRW): with a minimum score of 580, or
     – any other equivalent examination.
   - The English Placement Test of European University Cyprus prior to admission to the Program with a passing grade in ENL102.

3. Names of Referees: Provide names and contact details of two individuals who can provide references for the applicant. If the Department considers it necessary, it will contact them directly.
4. The Department might ask the applicants for additional documents, as well as to adopt any additional criteria it deems necessary (e.g. invite the applicant to an interview).
